

Supercharge Your TPA Operations with Zelis

Experience up to **35% incremental savings** compared to competitors with our data-driven solutions.

1 Build Networks Efficiently

POWER UP YOUR NETWORKS

- Access Custom Networks Built for Flexibility
- Data-Driven Network Design & Analytics
- In-Network Pricing and Open Access Pricing
- Optimize Contracts for Better Outcomes

WHY CHOOSE ZELIS OVER COMPETITORS?

Enterprise Solutions: Zelis offers a full product suite across Out-of-Network (OON), In-Network (INN), Payments, and Payment Integrity (PI), enabling you to consolidate vendors for maximum efficiency. Competitors lag in overall performance.

Configurability & Integration: We are fully integrated with the majority core adjudication systems and adapt to clients of any size, allowing you to tune solutions to your needs. Competitors often standardize products, limiting flexibility.

Build responsive, optimized networks that adapt to your clients' needs while controlling costs and achieving up to **35% more incremental savings**.

“Zelis helped AmeriBen generate a 36% increase in gross savings from 2020 – 2021.”

2 Empower Members

ENHANCE MEMBER EXPERIENCE

- Easy Care Selection with Guided Tools
- 24/7 Care Concierge at Their Fingertips
- Complete Transparency for Members
- Easy Enrollment with Custom ID Cards

WHY CHOOSE ZELIS OVER COMPETITORS?

Zelis is known for **attentive and responsive client service**, providing superior support and analytical capabilities.

Competitors have subpar service quality.

“They listen to our business needs and growth strategy and anticipate how ACS can continue to deliver results for our clients. We have a comprehensive partnership across many different solutions, and we are continuing to expand.”

– Beverly Proctor, Chief Operating Officer, ACS Benefit Services

Empower members with personalized care options and hassle-free support, backed by **outstanding client service**.

3 Optimize Claim Savings

MAXIMIZE CLAIM SAVINGS, MINIMIZE HEADACHES

- Accurate Claims Editing & Expert Claims Review
- Leverage Market-Based Pricing
- Seamless Negotiation & Claims Settlement
- No Surprises Act (NSA) Compliance Made Easy
- Member Liability Negotiations

SUPERIOR SAVINGS WITH CLAIMPASS

ClaimPass optimizes the mix of savings channels, delivering up to **35% or more in incremental savings** than competitors.

Competitors are less optimized, diminishing potential savings.

Achieve claim accuracy, compliance, and exponential savings with advanced tools and expert support that **outperform competitors incrementally by up to 35%**.

“Zelis has always given us the tools we needed to succeed.”

– Eric Channer, Chief Financial Officer, AmeriBen
